This diagram illustrates step 76 of the LEGO assembly process. It is divided into two numbered sections, 1 and 2, and includes a large inset showing the final placement of the structure.

Section 1: Shows a single black 1x4 Technic beam with a black 1x2 Technic pin being inserted into one of the holes.

Section 2: Shows a black 1x4 Technic beam being placed on top of a structure consisting of four black 1x2 Technic pins. The pins are arranged in two pairs, each pair being connected by a black 1x2 Technic pin. The text "2x" indicates that this assembly is repeated twice.

Inset: A large inset image shows the completed structure being placed on top of a larger LEGO wall. The wall is constructed from red and green Technic bricks. A sign is attached to the wall, and a blue arrow points to the location where the new structure should be placed. A white arrow points to the location where the sign should be attached.
